A Bill of Lading or Freight Bill is a contract for the transportation of goods which consist of two parts:

- 1 Performance of the Contract by the contracted carrier.
- 2 Payment for the service rendered by the contractor.

In the event of loss or damage and upon completion of the contract, a claim may be filed.

The information below is meant to provide guidance with regard to the procedures and rules for filing a claim. However, in the event of conflict between this document and the published Tariff GLDF-300 of Gold Coast Freightways, the published tariff shall and will take precedence.

1. WHAT IS A FREIGHT CLAIM?

A claim is a demand in writing for a specific or determinable amount of money which contains sufficient information to identify the shipment received by the carrier within time limits specified in the Bill of Lading contract.

2. WHEN AND WHERE TO FILE A FREIGHT CLAIM

Claims should be filed promptly once loss or damage is discovered. The time limit for filing a lost or damage claim is nine (9) months from date of delivery, or in the event of non-delivery within nine (9) months after a reasonable time for delivery has elapsed. Send your claim to:

2 Day Transportation
Attn: Claims Dept
PO Box 823496
Pembroke Pines, FL 33082

Or

Claims@2DayTranspo.com

3. A CLAIMANT MAY BE A:

Shipper, Consignee, Broker, or Owner of goods. Be sure to clearly indicate on the claim form the name and complete address of the claimant. Include an email address to assist in prompt conclusion of the claim.

4. DOCUMENTS REQUIRED

A. BILL OF LADING AND/OR DELIVERY RECEIPT

Depending on which party is filing, the Bill of Lading and/or Delivery Receipt should be submitted to provide proof of shipment and /or proof of loss or damage

B. PAID FREIGHT BILL

Include the original paid freight bill or a signed statement verifying freight charges have been paid in full of the shipment against which the claim is filed. **For a claim to be concluded, all freight charges must be paid.**

C. ORIGINAL INVOICE

A complete original invoice verifies the claimed amount does not exceed the terms of sale and excludes any prospective profit, in most cases. The original must disclose all discounts and allowances, if any. A clear photocopy of the complete original invoice is acceptable.

D. REPAIR INVOICE

(If applicable) When submitting a repair invoice, include a breakdown of hours, labor rate and materials.

5. CONCEALED LOSS OR DAMAGE

Loss or damage to contents of a shipping container, which could not have been noted at time of delivery, must be reported to 2 Day Transportation within five (5) calendar days from date of delivery. A request for inspection should be made at that time. All merchandise should be retained in the original shipping container, in the same condition it was in when loss or damage was discovered, until inspected.

6. INSPECTION BY AN INDEPENDENT AGENT

Inspection of a damaged shipment may be requested by calling the local service center. Inspection by 2 Day Transportation or an independent agent will be made promptly. Inspection will include examination of the damaged merchandise and all shipping materials. If a shortage is involved, inspector will check contents of a package against the invoice, weigh the shipping container and contents, or conduct additional investigation to establish a loss has occurred. In either case inspection will be limited to a factual report. A written record of 2 Day Transportations' findings will be made in duplicate with a copy of the report given to the consignee. The inspection report is NOT a claim. It is the responsibility of

the claimant to file a cargo claim within prescribed time limits and to respond to any requests from 2 day Transportation for supporting documentation. The claim will be concluded based on facts determined during the investigation.

7. BURDENS OF PROOF

The claimant must establish three things:

- A.** The carrier received the freight in good condition at origin.
- B.** The freight was short or damaged when received at destination.
- C.** The dollar amount of loss or damage.

8. THE FREIGHT BILL

Payment of freight charges may not be delayed due to alleged loss or damage. Charges should be paid in full and the portion applicable to lost or damaged items included in the freight claim. The following are important points to remember:

- A.** Claims and payment of freight charges are two entirely different transactions.
- B.** Without payment of the freight charges, the transportation contract has not been completed. A valid claim will not be paid until freight charges are paid.

9. DISPOSITION OF DAMAGED FREIGHT

Damaged goods and all shipping materials must be retained until the claim is resolved, or until the claimant has been given disposition by the carrier.

10. STATUS OF CLAIM

The majority of claims are concluded within sixty (60) calendar days. All claims will be acknowledged within thirty (30) days of receipt.

11. IF CLAIM IS DECLINED

If the claimant has additional information, a rebuttal letter should be sent to the examiner who declined the claim. The rebuttal letter should clearly indicate why the claimant believes claim payment should be reconsidered and include any evidence or documentation not previously submitted. Always refer to the assigned claim number when corresponding with an examiner. When communicating with 2 Day Transportation, send all correspondence to the address shown here:
